

# Tour des Chutes

## The Ride. The Run. The Inspiration.

---

### How are Tour des Chutes funds distributed?

**St. Charles Foundation:** Tour des Chutes provides programs for well-being, funding for food, gas, lodging, as well as integrative therapies such as massage, Reiki and acupuncture. *Note: Integrative therapies are available to St. Charles patients.*

**Bend Memorial Clinic (BMC) & Mosaic Medical:** Tour des Chutes distributes food and gas cards to cancer survivors who require financial assistance.

**Integrative Therapy:** A network of practitioners work with Tour des Chutes to invoice for services provided to non-St. Charles patients. Vouchers for these services are available to cancer patients through BMC and Mosaic.

**OHSU Knight Foundation:** Tour des Chutes provides travel expense assistance for Central Oregonians who receive cancer treatment in Portland.

**Bend Park & Recreation District:**

Tour des Chutes is providing vouchers for those with financial needs to access a wide array of fitness, recreation, and enrichment opportunities. Tour des Chutes is also funding several free classes designed for cancer survivors. Check out the Bend Park & Rec Playbook for these class listings!

**St. Charles Cancer Center & Cancer Survivorship Program:** Survivorship programs include social/support groups, education, recreation, integrative therapies, and Soaring Spirits Summer Camp for Cancer Survivors and their families. Non-medical basic needs include funds for food, gas cards, utilities, and prosthetics.

**Pediatric Foundation:** The Pediatric Foundation is devoted to Central Oregon children with cancer and their families who must travel long distances to receive necessary surgery, chemotherapy, radiation and bone marrow transplants.
